Arthur, who has told the gang that he is going to Newport for the summer, applies for a "Boy Wanted" job and is engaged to run the soda fountain on a commission basis.

His girl, Olive, and his rich rival, Eddie, come to the drug store and he pretends to be one of the customers, but is later discovered to be the lowly soda clerk.

Eddie and Olive plot to humiliate him for the fun of it and bring a great mob of his acquaintances to the store to tease him. They all buy sodas and one of them playfully throws a bit of ice cream that starts an ice cream battle royal. The store is a mess but the cash register was worked so hard that it got hot and smoked. Arthur receives his half of the big day's takings.
